

Information Required Before Contracting For Stud Service

The minimum considerations that must be addressed before a Stud Service Contract to a dog at this kennel can be completed are listed below. Please fill out this form completely and send it to us prior to any discussion of contracting for the services of one of our listed stud dogs.

1. Health clearances:

OFA or Penn Hip grade and number (please send a photocopy of the form).

2. What are your plans for the placement of puppies:

How many puppies do you intend to keep?

What sex of puppy do you intend to keep?

How many have you taken reservations for?

How many deposits have you taken?

How do you plan to find homes for the remainder?

Send a copy of the contract and questionnaire you use for prospective puppy buyers.

3. Describe your whelping area.

What are your fencing/kenneling arrangements?

How do you intend to house and care for puppies for which you cannot find homes?

4. Briefly describe your prior whelping experience?

How many litters in total have you whelped?

How old is your bitch in months?

How many litters has this bitch had previously?

How many breeding attempts have been made with this bitch?

6. Please list your veterinarian information.

7. What show, trial, training experience has this bitch had?

What is her record at these events?

What titles has she earned?

Does she have a CGC?

7. Your bitch needs to be evaluated for breeding quality. Photos and or video must be sent prior to discussing a potential breeding.

8. What form of positive identification does the bitch carry? (Microchip or tattoo)

What is the number?

If a chip, which kind?

If tattoo please provide picture of the tattoo?

9. Enclose a copy of the bitch's registration and pedigree.

10. Enclose a copy of the bitch's veterinary records, including current vaccinations and dates, medications currently being administered, medications administered within the past year, and any existing medical conditions. State any congenital medical problems which have been diagnosed.

Your name

Address, Phone Number and e-mail address.

After this information arrives I will contact you regarding the stud dog you prefer to use. At that time we will discuss stud fees, shipping arrangements and artificial insemination.
